EXPERIENCE COMMUNITY

Church is about community. It's a group of people and a place where all are welcomed and accepted; where it's safe to let down the walls. More importantly, it's where we are encouraged to be all that God made us to be. St. Timothy's Lutheran Church is committed to transforming lives, families, and the community through the power of Christ's love.

MAKE A DIFFERENCE

Do you want to be a part of something bigger? Are you searching for a way to make a difference in the world we live in? We'd like to invite you to join us, as we try to make a difference and a lasting impact on the community. We are committed to meeting the needs of our neighbors near and far. Service to the community is central to St. Timothy's, because it is a way to live out our faith and share the message of Christ with others in a concrete way. Together we can make a difference!

WHAT IS A LUTHERAN?

As a congregation of the Evangelical Lutheran Church in America, St. Timothy's is one of 11,000 congregations with over 5 million members. We share the same basic beliefs and work in partnership with many other Christian denominations.

A LITTLE HISTORY

St. Timothy's emerged as a suburban mission development from St. Paul's Lutheran Church, in urban Rensselaer. The first worship service was held on September 7, 1958 at the Defreestville Fire House. Over the next 45 years, St. Timothy's was blessed with committed members and pastors who worked to establish St. Timothy's as a community church. Most recently, the late Pastor Lee Dyer served at St. Timothy's for over 30 years. The compassionate spirit of St. Timothy's has been greatly influenced by him and by those who have dedicated so much of themselves to share Christ's love with the community.
